As I am a reader of the News I will write a few lines. As I have seen the death of Bro. Joe Lambert I feel like I want to say a few words. I feel sorry to know that he has gone from his family although I am sure he is enjoying the sweets of heaven. I remember a text I heard him preach from about 40 years ago. It is Hebrews the 13th chapter and 1st verse. "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight and the sin which doth so easily beset us, and let us run with patience the race that is set before us." May the good Lord bless his family. Let them live so as to meet in a better land. I have some dear ones that have crossed over, and I feel like I am going to see them some day and time with my place won in glory. I think I heard Bro. Joe pray the first prayer he ever prayed in public. It was short but sincere. I will say to all who know not God in the free pardon of their senses where will you spend eternity? Will you just think before it is too late. It is a light thing to serve the Lord. May the Lord be with you all.

Seco is only running two or three days a week but the miners all seem cheerful and hoping for steady work from now on. This is a very nice little town. Good houses and rent cheap enough considering the high prices. If all the readers would write once a month and tell how health is and how the people are all getting along with their part of the country, we would have a full paper every week, and we would see the names of so many we once knew. I don't want to miss a copy. It brings news to me every week. I would like to hear from Clifty and Whitwell and Herrin, Ill., and Pittsburg, Ga., and other places, as I cannot write to all.

Visiting seems to be the order now. Bill Anderson was seen coming up the hill all smiles. He had on a tie so deep red they called it red wings. Jess Anderson visited Mr. Ziege Sunday. Jim Powers went to the Cove Sunday to see his best girl. Who has seen K. C. Francis of Stanley. A girl at Kelly Ferry is inquiring about him. There was a big ball game in Mullins Cove Sunday. Kellys Ferry defeated the Cove 35 to 7. There will be a game at the Ferry Sunday, and we expect a big crowd. There is going to be a big dance in the cove Saturday night, June 5. Hope everybody will have a big time. If you want to see Ellen Hicks smile ask her who that letter was from. J. C. Powers spent Sunday with his best girl. There will be a big ball game in Mullins Cove Sunday, June 13, with dinner on the ground. If you want to see Maud Hicks smile ask her when she saw Claud Brown. Come on Stanley with your pieces as I know lots of people there. Sarah Lane Hicks looked sad Sunday. Wonder why? John Hicks came up the road Saturday evening with a smile as long as a wave across the river. Guess he saw his best girl. Esther Hicks looked sad Sunday. Cheer up, he is coming back. Wesley Hicks had the blues Sunday. Cheer up, it may not be so. If you want to see Maud Hicks smile ask her how she likes candy. Wesley Hicks spent Sunday with his best girl. Tulip.

Born to Mr. and Mrs. Dan Curtis Friday night, a big boy. Mother and baby are getting along fine and daddy is wearing a smile and looks very happy. L. F. Tate called to see Uncle Tom Crisp Sunday, who is very ill. Jessie Stump and Ernest Byers looked very cute Sunday afternoon. Bessie Green was all smiles Sunday, as Arthur Curtis was in town. A. E. Disbrow called on his best girl Sunday. Pearl Estella Kilgore called on Bessie and Eliza Green Sunday. Foster Harris attended the show Saturday night and sure did enjoy himself. Robt. Morgan was all smiles Sunday because he had on a new pair of No. 12 shoes. That's right, Robert, get your shoes large enough. Wonder why "Uncle Tom" doesn't talk about some of the men and let the girls rest awhile. I don't think any of the girls care anything about old men like "Uncle Tom" when there are so many young boys. Most of the girls are wearing ruffled dresses so they can catch the young boys. I think that is right, and I notice some of "Uncle Tom's" folks are wearing dresses of this kind, and it looks like he would have something to do talking about them. Mr. and Mrs. Henry Layne, of Wolf Pit, Ky., are here on a visit to Mrs. Layne's father, who is very ill, and also Mrs. Robt. Kilgore, of the same place. Mr. and Mrs. Cart Henley went to see Mrs. Henry's sister at Sequatchie Sunday and will stay until Friday. Wonder if Wiley Almeny is still making his calls at Jess Coppinger's. Guess he is. Louis Morgansays he wants a home of his own. Some pretty girl, look out. Bessie Green received a letter from Robt. Sitz, of Camp Taylor, Ky., saying he would be home in June. Guess lots of the boys and girls would be glad to see Robert once more. Ye writers are glad to hear of Sunday school being started up at Pine Hill. I heard a certain girl say she would like to see Arthur Green, of Whitwell, so it looks like he would come back to Pryor Ridge once more and let the girls see him. Emily and Margie Sitz were in Oak Grove Sunday. Miss Eliza Green called to see the sick in Pryor Ridge Sunday. Jessie Stump attended meeting Sunday night. Wonder if James Tate still makes his calls at Frank Green's. Miss Dixie Nunley is visiting her sister at Tatesville this week. Hugh Curtis left for Herrin, Ill., Friday. Eliza Green says she is going back to Whitwell soon. Will Harris likes to go to the show. Matt Harris and Walter Kilgore went to Tracy Friday. Grant King will leave Friday for Jellico where he has been working, and a certain girl is feeling very badly. The girls of Oak Grove and Pryor Ridge sure wish Pvt. Warren Stubbins of Camp Taylor, Ky., would come again as he is a pretty boy. Bessie Green received four letters last week, all from the same boy. Blue Eyes.

Left For Texas.

Mrs. J. W. Scofield and children left yesterday for Wichita Falls, Texas, to join Mr. Scofield and the rest of the family. We regret very much to lose this excellent family from our midst, as they are people who are a credit to a place in which they live. Failing to sell their property on mountain side here, known as Wannalancett Lodge, they left it in charge of Mathew Pryor who is living there.

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it has a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. F. J. CHENEY & CO., Toledo, O.

Leland Roberson killed a big rattler in Coppinger Cove yesterday and will make a belt of the skin.
